Thank you everyone for coming! To my mom, thank you for being my biggest fan since day one and for always supporting me in everything I do. To my other family and friends, thank you for all your constant love and support. To my amazing pianist Emma Song thank you for making music with me the last 4 years, it has been a joy working with you. Finally, to my wonderful teacher Dr. Andrea Will, thank you for all you have done to get me here. I never thought I'd be excited for this day; I have come so far as a singer, a performer, and a person in the last 4 years.

Thank you all again, I love you all!
This one's for you Grandma!
