My dear Dr. Hamburger:

I am glad to know your decision <sup>dw</sup> ~~of~~ the offer  
from Russia. I have no doubt that it is a wise decision  
on your part.

The news from Germany is indeed very distressing  
to all friends of liberty, but the trend of affairs is  
not yet clear. I am glad to hear that your work is well  
under way and that you and your family are enjoying the  
summer at Chicago.

With my kind greetings, I am

Yours truly,

Frank R. Lillie.
