Dear Dr. Conklin

I have placed  
your paper as first article  
in No. 2, Vol XVIII. which  
was the best I could  
possibly do. We shall have  
proofs of plates within 3 months  
I expect, but of course I  
want to get text along, so  
please send your paper as  
soon as possible to Ginn Co,  
marking it as above given.

Notify me of the number of  
printed pages - reckoning 400  
words to a page, and the  
number of reprints required.  
Your plate numbers will  
be XIII - XVIII (13 - 18).
